

## Coaching Staff

---

The coaching staff is committed to getting to know each player and helping them to become the best player they can be. We will not only work with each camper, but we will also evaluate them and help them to understand what it will take to get to the next level. Our staff will include some of the best high school coaches in the East Valley along with former and current players from Dobson H.S.

# Dobson Mustang Soccer

The Dobson High School coaching staff invites you to attend our third annual Spring Break Soccer Camp. What makes this camp different from the other camps is that this camp is designed specifically for girls ages 8-16 that live in the local area. This camp will introduce each girl to the coaching staff of one of the premiere high school soccer programs in the state. Each day of the camp, every player will be taken through training sessions to identify the players strengths and weaknesses. Each camper will receive a Dobson Mustang Soccer T-Shirt in addition to 12 hours of soccer training.

## Tradition

Since the inception of the girls soccer program in 1994, the Mustangs have accumulated an overall record of 189-64-13. The program has produced numerous college athletes with 100% of the 2006 class being offered soccer scholarships. The soccer program has been to 12 consecutive state playoffs and finished as state runners-up in 94-95, 95-96, and 97-98. During the 96-97 and 98-99 seasons, the Mustangs would reach the semi-finals.

## Future

The future of the Dobson Mustang soccer program is you. By preparing now, you can continue in the footsteps of the past players who made this program great and leave a tradition of your own that you can be proud of.
